

Tarra Bennett of Healing From Within to be Featured on CUTV News Radio

ST. JOHN'S, NEWFOUNDLAND AND LABRADOR, CANADA, May 31, 2018 /EINPresswire.com/ -- Too often we look for the miracle out there, outside of ourselves. However, the miracle is staring right back at us every day as we look in the mirror. We're all miracles.

That's the philosophy of Tarra Bennett, founder of Healing from Within, a metaphysical ministry dedicated to helping people heal the body by healing the mind.

A Pathways of Light ordained minister, Wellness Counsellor, and Healing Practitioner, Tarra learned through the experience of working with clients and also from personal experience of healing herself of claustrophobia, eczema, and irritable bowel syndrome that the work she offers is effective.

Tarra says that most of the clients that turn to her do so because other methods have not worked for them. They are open to trying something else in hopes of experiencing a healing.

Tarra has helped clients with everything from depression, Hodgkins Lymphoma, suicidal tendencies, constipation, asthma, addictions, indigestion, eczema, back pain, chronic pain, insomnia, enlarged prostate, and allergies.

Together, we venture within to identify the cause, working through it, and releasing it, thereby creating space for the body to heal. Every illness is an invitation of the body to heal the mind.

Tarra says that an important part of healing is being willing and open to the potential of recognizing the body has its own internal intelligence. It's important to take responsibility and trust in the process.

Tarra says, "A miracle for me was seeing the potential of the body to heal itself. If we put the right fertilizer in the soil, we're going to get the perfect garden. And I am not taking about food!"

Why do I feel called to heal people? I relate it to the desire of an artist to put brush to canvas. I see my desire as a gift a divine inspiration, not of this world."

Tarra will be offering a course on self-healing in the Fall.

CUTV News Radio will feature Tarra Bennett in an interview with Doug Llewelyn on June 4th at 11am EDT.
