

Ford Honors Caresoft Global at 20th Annual World Excellence Awards

Caresoft Global honored by Ford Motor Company with a Smart Pillar World Excellence Award

DEARBORN, MICHIGAN, USA, May 31, 2018 /EINPresswire.com/ -- Caresoft Global was recognized as a top-performing global supplier for Ford Motor Company at the 20th annual Ford World Excellence Awards. Only 88 companies were selected as finalists from thousands of Ford suppliers globally.

Caresoft Global was presented with a Smart Pillar - World Excellence Award by Ford Motor Company's Joe Hinrichs, executive vice president and president, global operations, and Hau Thai-Tang, executive vice president, product development and purchasing.

"We are grateful to Ford Motor Company, a global icon in the automotive industry, for recognizing us as a top supplier in the Smart Brand Pillar of Technology and Innovation. Ford was the first automaker that implemented our new technology that has revolutionized the benchmarking process relative to design engineering and vehicle architecture," said Mathew Vachaparampil, CEO of Caresoft Global. "This honor also comes with a lot of responsibility as we must continue these high standards of innovation, delivery, quality and corporate governance."

"Our World Excellence awards recognize the outstanding achievements of Ford Motor Company's top-performing suppliers around the world," said Hau Thai-Tang. "Suppliers like Caresoft Global are key to Ford's continued success as we work towards our goal of becoming world's most trusted mobility company."

Honorees were recognized for achieving the highest levels of global excellence in a variety of categories, including:

- Primary Brand Pillars – quality, green, safe and smart
- Aligned Business Framework principles focused on quality, delivery, value and innovation
- Lincoln Luxury
- Supplier Diversity Development
