

Pharmaceutical Microbiology West Coast Conference & Exhibition takes place in less than a week

In 1 week industry experts within the microbiology community will be meeting in San Diego at SMi's largest Pharmaceutical Microbiology West Coast conference

LONDON, GREATER LONDON, UNITED KINGDOM, June 1, 2018 /EINPresswire.com/ -- The field of [pharmaceutical](#) microbiology is ever changing and is involved in almost all areas of pharmaceuticals. Therefore, professionals within the field need to be informed and updated on the revised regulations and newly emerging methods and practices.

The banner features the SMi logo (Society for Microbiology International) in the top left. The main title is "Pharmaceutical Microbiology West Coast" in white text on a blue background. Below the title, the dates "7 - 8 June 2018, San Diego, USA" are displayed. A red box on the right contains the text "1 weeks to go!". Below this, a red box lists the following companies: "Abbott Laboratories, Associates of Cape Cod Inc, Biomerieux, Bioscience International, BioVigilant, Charles River, Fujifilm Wako Chemicals US Corporation, Genentech, Immune Biotech, Mettler Toledo, Microrite, MilliporeSigma, Novatek, Rapid Micro Biosystems, Roche, Shire and many others!". The hashtag "#pharmamicrousa" is located in the bottom right of the banner. At the bottom, the website "www.pharma-microbiology-usa.com" is displayed in white on a dark blue background, with "1 week to go!" written below it.

This is a must attend event to discuss and address the evolving issues facing this industry, such as: the aseptic practice and contamination prevention, mycoplasma testing and water monitoring. The event has evolved a lot over the last few months, with a few additions and updated program, the highlights include:
An evening Reception is hosted by SMi Group and will be held following the close of Day 1 (June 7) in the Main Exhibition Hall of the Crowne Plaza Hotel.
