

Registration Opens For 17th Annual Benelux Infrastructure Forum 2018

SMI Reports: Registration is now open for the 17th annual Benelux Infrastructure Forum, which will be returning to Amsterdam this November.

LONDON, WATERLOO, UNITED KINGDOM, June 4, 2018 /EINPresswire.com/ -- The industry-leading event for the Benelux region; Benelux Infrastructure Forum, is returning to Amsterdam, Netherlands on the 21st and 22nd November 2018 for its 17th consecutive year. This year's highly-anticipated event will focus on exploring new financing mechanisms and alternative markets for future sustainable investments in the Benelux region.

[The two-day forum](#) will provide attendees with the opportunity to meet, network and participate in panel discussions and debates with industry experts and professionals ranging from: banks, infrastructure developers, and institutional investors, to lawyers, government agencies, financiers and regulators.

This year's event will also include an in-depth look at the different project financing models within the Benelux region for infrastructure projects, including: Public-Private Partnerships (PPP), institutional investment schemes, pension funds, debt financing, government funding, project refinancing, and many more.

[2018 Event Highlights Include:](#)

- Learn about emerging markets and future investment opportunities, particularly in the renewable energy sector
- Explore financing specifically related to PPP and re-financing
- Opportunity to attend the only conference tailored to the specific infrastructure financing issues that the Benelux region faces
- Hear and interact with presenters working on projects in the region
- Receive detailed case study updates from major regional projects, including recent offshore wind parks, energy storage and data networks

Attendees can expect to [receive insight into the recent trends in project financing](#) for infrastructure in the Benelux area, have a detailed look at international investment into Benelux infrastructure, explore further investment opportunities in renewable energy, and evaluate new mechanisms of investment.

More information can be found on the website, including the latest brochure which is now available to download, and how to book your place: www.beneluxconf.com/einpr
