

The Future of Australian Defense In a Dynamically Changing Region

What strategic options will Australia pursue and with what impact on the allies and competitors in the region?

ARLINGTON, VA, UNITED STATES, June 6, 2018 /EINPresswire.com/ -- Recently the defense.info team released its report on the future options for Australia for its defense policy.

What priorities will Australia seek after its current modernization push?

This report focuses on the [future of Australian defense](#) in a dynamically changing region.

How might Australian defense evolve and with what consequences?

What strategic choices will Australia face?

Will Australia shape a neo-Gaullist defense policy in which reliance on longer range strike and nuclear weapons becomes part of the equation?

How will Australia shape its relationship with the United States as both countries domestic politics change and evolve?

What strategic options will Australia pursue and with what impact on the allies and competitors in the region?

“

The report provides a very significant look at our future options. It can provide the basis for a very thoughtful look at the way ahead.”
