

# Brush Cutter Market - What's New Trending For 2018 - 2020?

*Brush Cutter Market 2018 Global Trend, Segmentation and Opportunities Forecast To 2020*

PUNE, INDIA, June 5, 2018 /EINPresswire.com/ -- The Global [Brush Cutter](#)/String Trimmer Market statistical report published by Market Research Future contains succinct information regarding global string trimmer/brush cutter market size (units and value), by fuel type. Based on fuel type the market has been segmented into gasoline and electric types. The electric type brush cutter/string trimmer market has been further sub-segmented into battery operated and corded types. Increasing popularity of gardening as hobby as well as rising focus on providing aesthetic appeal to outdoor spaces are the major factors driving the growth of this market. However, the increase in apartment culture and high maintenance cost of lawns and gardens are certain restraints that may hamper the growth of the market. The report provides information regarding Global Brush Cutter/String Trimmer Market from 2015 to forecast till 2020.
