

Elite Dermatology Announces Launch of New Website

Leading skin care clinic, Elite Dermatology, announced the launch of its new website.

KATY, TX, USA, June 5, 2018 /EINPresswire.com/ -- Elite Dermatology, a specialized skin care clinic that caters to both adults and children, has announced the launch of its new website. The website is another attempt by the clinic to ease the process of finding the best treatment for specific skin ailments for its clients.

Elite Dermatology which opened its doors on January 17, 2018, headed by dermatology specialist Dr. Connie Wang, along with a small team of highly skilled and experienced professionals. With a mission to provide the best and most caring treatments for both adults and children, the launch of the website is another step in helping to make things convenient for clients.

"I think the practice of medicine has become more than just treatment of an illness. Patients ought to be heard, educated, involved, and empowered. I try to provide this type of comprehensive and personalized care in every encounter," stated Dr. Connie Wang, adding, "My staff is amazing. They are so kind, caring, professional and energetic. I am really lucky to work with this team because the patient's experience does not start or stop with their encounter with me, but depends on their interactions with everyone in the office."

Dr. Connie Wang, a native Houstonian, completed medical school and residency at Baylor College of Medicine. She is a true believer in providing the most caring and professional treatments for her patients. For this, she regularly participates in events in the field of dermatology to stay updated with the latest techniques and discoveries. She is also a member of the American Academy of Dermatology, Texas Medical Association, Harris County Medical Society and Houston Dermatologic Society.

Elite Dermatology offers medical, surgical and cosmetic treatments, along with specific services for conditions such as acne, psoriasis and skin cancer. The clinic offers skin cancer management, neuromodulators, including Botox and Dysport, dermal fillers and more. Each patient is evaluated for their individual needs, genes, environment, lifestyle and personal beliefs and given a prescription or in-office treatment tailored to their specific needs.

Talking about being a part of Houston, Dr. Connie Wang said, "Having spent most of my life in Houston, I really learned to appreciate the diversity, warmth and spirit of the people who live in this city. I am grateful for the opportunity to serve this wonderful community."

Elite Dermatology might be a small clinic with a small team at present, but it believes in providing a warm, friendly and comfortable atmosphere for patients, who are usually under stress when they visit a doctor. The first step of any treatment is to make the patient feel completely at ease, in a clean and hygienic environment, where the latest techniques and world class standards of care are ensured.

With the new website, Dr. Wang hopes to provide useful information to people suffering from skin ailments, so that they can better understand what they are going through, while also gaining insight into the treatment options. With a user-friendly interface and easy navigation, the website provides all the information an individual needs to make an informed treatment

decision.
