*Lena Navarro Reveals Collection of Oil Paintings & Prints  
Inspired by Florida's Lush Natural Beauty*

MOUNT DORA, FLORIDA, USA, June 6, 2018 /EINPresswire.com/ -- The Lena Navarro art studio today unveils the brand new "Tropical Collection" of vibrant original oil paintings and custom prints. Honoring the lush natural beauty of her new surroundings in Mount Dora, Fla., Lena Navarro's collection mimics the evergreen hues of the tropical region.

Navarro's "Tropical Collection" communicates an awakening of earth and life depicted on a canvas. The collection includes a variety of original oil paintings, giclee prints on fine art paper and canvas prints.

"I am inspired by Florida's beautiful greenery that never fades, the ocean that never silences and humid air that never dries up," said artist, Lena Navarro. "I've always been attracted by tropical careless vibes and I wanted to reflect those and share with others through my collection."

The goal of Navarro's pieces are to make people embrace and enjoy themselves through color and vibrancy. Her work embodies the ethos that a piece of art one chooses is not random, but the reflection of a human soul.

An artist since childhood, Lena Navarro founded Navarro Art Gallery in 2015 to bring her passion to life. Navarro developed her own style- realism with elements of impressionism and abstractionism.

The full Tropical Collection can be viewed and purchased online [here](#).
