

BitMart Exchange Now Listed on CoinMarketCap

BitMart Exchange is a global premier digital asset trading platform with over 400,000 registered users

GRAND CAYMAN, CAYMAN ISLANDS, June 5, 2018 /EINPresswire.com/ -- [BitMart Exchange](#), a new premier digital asset trading platform in the global cryptocurrency market, is now officially listed on [CoinMarketCap](#).

"Being listed on CoinMarketCap means our platform is recognized as one of the top exchanges in the world. CoinMarketCap has very strict listing standards, and being listed as one of the top 100 exchanges 3 months after our launch signals that we have entered the conversation as a mainstream exchange. CoinMarketCap will act as a huge source of traffic for our website moving forward and it will encourage more projects to list on our exchange as well." - Shelon Xia, Founder & CEO of BitMart

“

Being listed on CoinMarketCap means our platform is recognized as one of the top exchanges in the world... CoinMarketCap will act as a huge source of traffic for our website moving forward...”

Sheldon Xia, BitMart Founder & CEO

About CoinMarketCap:

Founded in 2013, CoinMarketCap is the leading website for tracking the capitalization of various cryptocurrencies. Their website has a current Alexa global ranking of 230 and a rank in the United States of 201. There are currently over 200 exchanges ranked on CoinMarketCap today, but they have not listed a new exchange for quite some time. They recognize that their website has a strong influence on the market and any new exchange that wishes to be listed must meet their strict listing requirements regarding platform security and quality, total registered users, number of trading pairs, and trading volume.

About BitMart:

BitMart is a premier digital asset trading platform with more than 400,000 users from over 160 countries. BitMart offers crypto-to-crypto trading for coins and utility tokens only. BitMart has a global team with extensive industry experience from all over the world including the United States, Russia, India, Singapore, Japan and Hong Kong. Since launching in March, BitMart has a total trading volume of over \$100,000,000 USD. BitMart currently offers 20 trading pairs for BTC, ETH, USDT, XLM, EOS, VEN, OMG, MOBI, ABT, KAN, and BMX.

BitMart has also made significant advancements with U.S. regulators after registering as a money transmitter last month with broker-dealer registration also in the works. Once finalized, BitMart will be

able to offer fiat trading as well. Meaning you no longer have to own cryptocurrency in order to register and trade on BitMart, as you will be able to purchase digital currencies using a credit card, bank account, or even wire transfer.

While fiat trading is the short-term goal of BitMart, their long-term goal is to become a top 10 exchange by trading volume in 2018 and to incorporate new features including futures contract trading, whole-network trading and decentralized trading by early 2019.

Currently, BitMart is hosting a "Millions of Cryptocandy Airdrop" and a "Vote for Your Coin – Round 2" Campaign on their website to reward users. Their new referral program is also announced to be coming soon this month.
