

Apple Self Storage Official Grand Opening Mississauga - Erindale

Apple Self Storage is pleased to announce both the One Year Anniversary and official grand opening of its self-storage facility in Erindale, Mississauga.

AURORA, ONTARIO, CANADA, June 12, 2018 /EINPresswire.com/ -- The grand opening will take place on June 28th from 12pm – 3pm at 1000 Central Parkway West. It is open to all residents of the Mississauga area.

David Allan, VP Development for Apple Self Storage says, "This building was vacant for several years and we were very excited to put our adaptive reuse program to work in Mississauga. We took

the existing structure and re-used as much of the building and materials as possible. We believe strongly in finding ways to try and reduce our carbon footprint and this was one where we were able to creatively re-use much of the materials that were already present." Allan continues, "in fact, this site has been so successful through the initial lease up that we are beginning our Phase 2 project. This will expand the current space by the addition of 75,000 square feet of premium self-storage to serve the Mississauga market even better!"

The Erindale location is currently comprised of 80,000 sq. ft. of heated indoor storage that has been serving a large group of residents and commercial clients for the past year, providing top-notch self-storage service. The expansion will increase the location's offer to over 150,000 square feet of storage to accommodate even more customers with the event

on June 28th providing attendees a first glimpse, and further information, regarding these exciting expansion plans.

LOCATION AND AMENITIES

The Apple Self Storage Erindale location is conveniently located on Central Parkway W, just south of highway 403 in Erindale village. The location features large drive-in loading bays to stay dry while you unload and load your items; computer controlled building access, video security monitoring, outdoor parking and commercial packages that allow for mailbox rentals and commercial delivery acceptance.
