“

I have team members who saved over a thousand dollars for one procedure. Start saving today at 1Dental.com.”

“Now, I'm not a fan of dental insurance!” said Dave Ramsey. “I think it's a waste of money. But there is another option. It's called 1Dental. And it's NOT dental insurance. It's a dental discount program that functions like a membership club.”

Unlike traditional dental insurance, discount dental plans

work like a Costco membership plan. You pay for the plan and get access to immediate discounts. There are no waiting periods, no exclusions based on pre-existing conditions, no maximums, no claim forms and no deductibles. It also includes discounts on orthodontics for kids and adults.

“I have team members who saved over a thousand dollars for one procedure. Start saving today at 1Dental.com,” Ramsey said.

As an author, radio host and recognized expert on personal finance, Ramsey helps families learn to live debt free. He's authored seven best-selling books: Financial Peace, More Than Enough, The Total Money Makeover, EntreLeadership, The Complete Guide to Money, Smart Money Smart Kids, and The Legacy Journey. “The Dave Ramsey Show” is heard by more than 14 million listeners each week on more than 600 radio stations and digitally through podcasts, online audio streaming and a 24-hour online streaming video channel.
