

# ELTA Systems Announced as Latest Sponsor for Air Missile Defence Technology Conference, in Prague this October

*SMi reports: The latest sponsor for the Air Missile Defence Technology conference has been announced as ELTA Systems.*

LONDON, WATERLOO, UNITED KINGDOM, June 8, 2018

[/EINPresswire.com/](http://EINPresswire.com/) -- ELTA Systems, a group and subsidiary of Israel Aerospace Industries, have been confirmed as the latest speakers and sponsors of this year's [Air Missile Defence conference](#), which is returning to Prague, Czech Republic on 23rd-24th October 2018.

As one of Israel's leading defence electronics companies, ELTA Systems is a global leader in the field of Intelligence, Surveillance, Target Acquisition and Reconnaissance (ISTAR), early warning and control, Homeland Security (HLS), self-protection and self-defence, and fire control applications.

They offer comprehensive solutions, primarily based on in-house developed, advanced electromagnetic sensors which include Radar, Electronic Warfare and Communication Systems. As the OEM of these sensors, ELTA's integrated products and systems are tailored to the specific requirements of end users. Based on its advanced defence technologies, they're also active in paramilitary and law enforcement markets, with a variety of unique technological excellence centres, state of the art facilities, and national infrastructures.

At this year's two-day conference, ELTA Systems will be presenting on day one, along with expert military and industry speakers from the Czech Armed Forces, US Army, Spanish Ministry of Defence, United States Army Space and Missile Defense Command, UK MoD, Diehl Defence, MBDA and French Air Force.

Day one will also host an in-depth panel discussion on "Enhancing Air Defence Capabilities to counter Next Generation UAS Threats", with expert panellists:

- Colonel Jan Sedliacik, Commander of the 25th Air Defence Regiment, Czech Armed Forces
- Lieutenant Colonel Yannick Willer, GBAD /TBMD Programme Officer, French Air Force
- Ian Spillane, Chief Engineer, Mission Support, Lockheed Martin
