

New GDPR templates launched by IT Governance

ELY, CAMBRIDGESHIRE, UNITED KINGDOM, June 8, 2018 /EINPresswire.com/ -- Ely, United Kingdom, 8 June 2018 – IT Governance, the leading global provider of data protection and information security products, today launches two new General Data Protection Regulation (GDPR) templates, making it simpler than ever for organisations to create their GDPR-compliant data protection policy and privacy notices.

Developed by IT Governance's own expert GDPR practitioners, the easy-to-use and customisable Data Protection Policy and Privacy Procedure templates enable users to create GDPR policies in minutes.

Alan Calder, founder and executive chairman of IT Governance, said: "The deadline might have passed but the GDPR is still very much part of the modern European business landscape. IT Governance will continue to work with companies from various sectors to ensure compliance, and these latest products are testament to that policy."

As a leading provider of GDPR expertise and solutions, IT Governance supports organisations of all sizes in tackling their GDPR compliance projects through certified GDPR training courses, books, documentation toolkits, staff awareness training, compliance tools and consultancy.
