

# Seat Pleasant Offers Paracosma VR Demos of Its Smart City Solution

*Seat Pleasant is pleased to demonstrate its Smart City Platform using VR, the most advanced immersive technology available, at the MML Conference on June 11-12.*

CALIFORNIA, SAN FRANCISCO, UNITED STATES, June 9, 2018 /EINPresswire.com/ -- [Seat Pleasant](#) Offers VR Demos of Its Smart City Platform

San Francisco – 9 June 2018 – The City of Seat Pleasant: A Smart City of Excellence, in Prince George’s County, Maryland will offer Virtual Reality (VR) demos of its Connected Government Solution (CGS) to attendees of the [Maryland Municipal League Summer Conference](#) on June 11-12, 2018. Seat Pleasant’s Connected Government Solution is an advanced software platform that connects and manages all city services (Police Department, Fire Department, Public Works, Hospitals, & Transportation) while providing real-time updates from social media, CCTV, traffic, weather and other data sources.

“

Our Connected Government Solution is the most advanced smart city solution available for small and medium-sized cities,”

*says City of Seat Pleasant Mayor, Eugene W. Grant.*

Tech Solution Providers - 2018” by CIO Review Magazine. The demos will be offered using the Oculus Go, the newest VR headset, offering users the most advanced standalone experience available for VR.

The Maryland Municipal League Summer Conference is being held in Ocean City, Maryland, June 10-13. The annual conference attracts hundreds of Maryland city and town officials to discuss municipal

“Our Connected Government Solution is the most advanced smart city solution available for small and medium-sized cities,” says City of Seat Pleasant Mayor, Eugene W. Grant. “We are especially pleased to demonstrate its functions using VR, the most advanced immersive technology available.” The VR demos will put users into the center of the action, managing city services in response to a devastating flood and a live shooter scenario.

The VR demos were developed by [Paracosma](#) Inc, which was recently recognized as one of the “20 Most Promising AR/VR

issues. The event features an exhibition of a wide array of products and services from healthcare and insurance to transportation and construction. Seat Pleasant will be sharing its Connected Government Solution and offering the VR demos in booths 801, 804, 805, 830, and 831.
