Shhhtop.....The door damper that makes your home safe for your pets and kids

PERTH, WESTERN AUSTRALIA, AUSTRALIA, June 11, 2018 /EINPresswire.com/ -- Aussie startup "Innovation Emporium" launches crowdfunding campaign for innovative and affordable door dampers Shhhtop.

A Perth-based startup has come up with a crowdfunding campaign at Kickstarter to support its innovative Shhhtop door dampers that are easier to install and more affordable than current solutions.

Place, Date: Perth-based visionary startup Innovation Emporium has recently launched a crowdfunding campaign at Kickstarter in support of its new breakthrough Shhhtop door dampers. Claimed to be the perfect solution for slamming doors, the new ones are more affordable and easier to install than those available in the current market. We are going to have more peaceful homes from now on.

Shhhtop

The crowdfunding campaign is geared to raise \$1000 within a month. Innovation Emporium is co-founded by Australia based South African entrepreneur Derick Kruijs and his business partner Clinton Matthews.

Shhhtop.....The door damper that makes your home safe for your pets and kids"

Derick Kruijs

"Slamming doors are extremely annoying. It makes us cringe every time we have our kids playing around the house slamming doors randomly just like that. But the good thing is that you do not have to worry about such disturbing slamming noise from now on- courtesy our new Shhhtop door dampers. We have come up with this innovative patented design which promise a cheaper and easier alternative to those available in the market at

present. We know, you have no less than 6-7 doors in your home and thus we have been very particular about a very affordable price. We want you to have our door dampers for all your doors so that you can enjoy a quiet and peaceful home without breaking the bank. Our design is a breeze to install and will blend with your existing rooms like a dream. There is no need to drill holes in doors or your door frames. We are now looking forward to proceed with the production of our damper Your generous support would be much appreciated", stated Derick Kruijs while announcing the crowdfunding campaign.

“We were inspired to come up with our door dampers Shhhtop because it follows a simple design principle so that they are easier to implement for our users. Bid adieu to the frustrating slamming doors with our new Shhhtop door dampers. The good thing is that thanks to our simple design principles, there are no risks involved.” Clinton Matthews added in. A good host of rewards are waiting for the backers. With discounted prices no less than 25%
