Why choose ombre hair? there are at least 5 reason, according to Amanda, the sales manager of SisHair.com

## 1. Ombre hair is fun & stylish

As we know, solid hair shades are great. However, sometimes, it may get a little boring. Here, if you try Ombre or balayage hair, you can notice the difference. No doubt, Ombre has much more fun.

## 2. Ombre hairstyles look better

The Ombre effect will give more life and volumn to your hair, if the two selected shades complement each other well. The Ombre portion will make the details stand out a lot more and make the hairstyle so much prettier when creating hairstyles. In fact, even a simple braid with color transition will look so great.
