

# Distributed Solar PV Market - Global Industry Analysis, Size, Share, Growth, Trends and Forecast 2018-2025

WiseGuyReports.com adds "Distributed Solar PV Market 2018 Global Analysis, Growth, Opportunities Research Report Forecasting to 2025" reports to its database.

PUNE, INDIA, June 12, 2018 /EINPresswire.com/ -- [Distributed Solar PV Market:](#)

## Executive Summary

This report studies the global Distributed Solar PV market status and forecast, categorizes the global Distributed Solar PV market size (value & volume) by manufacturers, type, application, and region. This report focuses on the top manufacturers in North America, Europe, Japan, China, and other regions (India, Southeast Asia, Central & South America, and Middle East & Africa).

The global Distributed Solar PV market is valued at million US\$ in 2017 and will reach million US\$ by the end of 2025, growing at a CAGR of during 2018-2025.

The major manufacturers covered in this report

IKEA Solar  
Lightsource Renewable Energy  
SolarCity  
SunEdison  
SunRun  
Vivint Solar  
Trina Solar  
Yingli Green Energy  
Canadian Solar  
Jinko Solar

Geographically, this report studies the top producers and consumers, focuses on product capacity, production, value, consumption, market share and growth opportunity in these key regions, covering

North America  
Europe  
China  
Japan  
Southeast Asia  
India

On the basis of product, this report displays the production, revenue, price, market share and growth rate of each type, primarily split into

Rooftop Solar Photovoltaic  
Ground PV

## Others

On the basis of the end users/applications, this report focuses on the status and outlook for major applications/end users, consumption (sales), market share and growth rate for each application, including

Commercial Use

Home Use

Request Sample Report @ <https://www.wiseguyreports.com/sample-request/2842270-global-distributed-solar-pv-market-research-report-2018>

The study objectives of this report are:

To analyze and study the global Distributed Solar PV capacity, production, value, consumption, status (2013-2017) and forecast (2018-2025);

Focuses on the key Distributed Solar PV manufacturers, to study the capacity, production, value, market share and development plans in future.

Focuses on the global key manufacturers, to define, describe and analyze the market competition landscape, SWOT analysis.

To define, describe and forecast the market by type, application and region.

To analyze the global and key regions market potential and advantage, opportunity and challenge, restraints and risks.

To identify significant trends and factors driving or inhibiting the market growth.

To analyze the opportunities in the market for stakeholders by identifying the high growth segments.

To strategically analyze each submarket with respect to individual growth trend and their contribution to the market

To analyze competitive developments such as expansions, agreements, new product launches, and acquisitions in the market

To strategically profile the key players and comprehensively analyze their growth strategies.

In this study, the years considered to estimate the market size of Distributed Solar PV are as follows:

History Year: 2013-2017

Base Year: 2017

Estimated Year: 2018

Forecast Year 2018 to 2025

For the data information by region, company, type and application, 2017 is considered as the base year. Whenever data information was unavailable for the base year, the prior year has been considered.

## Key Stakeholders

Distributed Solar PV Manufacturers

Distributed Solar PV Distributors/Traders/Wholesalers

Distributed Solar PV Subcomponent Manufacturers

Industry Association

Downstream Vendors

Available Customizations

With the given market data, We offers customizations according to the company's specific needs. The following customization options are available for the report:

Regional and country-level analysis of the Distributed Solar PV market, by end-use.

Detailed analysis and profiles of additional market players.

## Table of Contents

### Global Distributed Solar PV Market Research Report 2018

1 Distributed Solar PV Market Overview

2 Global Distributed Solar PV Market Competition by Manufacturers

3 Global Distributed Solar PV Capacity, Production, Revenue (Value) by Region (2013-2018)

4 Global Distributed Solar PV Supply (Production), Consumption, Export, Import by Region (2013-2018)

5 Global Distributed Solar PV Production, Revenue (Value), Price Trend by Type

6 Global Distributed Solar PV Market Analysis by Application

7 Global Distributed Solar PV Manufacturers Profiles/Analysis

8 Distributed Solar PV Manufacturing Cost Analysis

9 Industrial Chain, Sourcing Strategy and Downstream Buyers

10 Marketing Strategy Analysis, Distributors/Traders

11 Market Effect Factors Analysis

12 Global Distributed Solar PV Market Forecast (2018-2025)

13 Research Findings and Conclusion

14 Appendix

Continuous...
