According to the Indiana Mesothelioma Victims Center, "When people hear the words US Navy Veterans they may not necessarily think of Indiana, but we are certain there are tens of thousands of Navy Veterans in Indiana and a significant percentage were exposed to asbestos. When it comes to mesothelioma compensation for a US Navy Veteran, it is incredibly vital the attorney they hire has years of experience with Navy Veteran mesothelioma compensation claims. Hiring a local personal-injury attorney to handle a complex mesothelioma compensation claim could result in a navy veteran with mesothelioma getting dramatically shortchanged-overcharged or both as we would like to
