

# IT Governance heads to PCI London 2018

ELY, CAMBRIDGESHIRE, UNITED KINGDOM, June 13, 2018 /EINPresswire.com/ -- Ely, United Kingdom, 13 June – IT Governance, the leading provider of data protection [and](#) information security expertise, will be attending PCI London next month as it continues its industry leading compliance solutions on all things PCI.

PCI London enables attendees to stay up-to-date with the latest developments in PCI DSS and other compliance regimes. IT Governance, a networking sponsor at the event, will be on hand to speak with organisations about how they can support their PCI DSS needs.

Alan Calder, founder and executive chairman of IT Governance, said: “This event is a great opportunity for companies to remain up to date with the evolving world of PCI DSS and enables IT Governance to engage face-to-face with people from a vast range of different sectors. We look forward to demonstrating to all delegates the various PCI DSS compliance solutions we’re able to offer.”

Clients and attendees are encouraged to visit IT Governance at the event. The exhibition will take place on 5 July at Park Plaza, London. Visit the event’s website to register and see the agenda, including speakers and presentation topics.

IT Governance covers the entire range of payment card compliance services, such as PCI gap analysis and scoping, PCI DSS penetration testing, PCI DSS documentation toolkit, compliance audit and ROC, validation and SAQ completion, as well as [maintenance](#) and [consultancy](#).
