

New Jersey Mesothelioma Victims Center Now Urges a Navy Veteran with Mesothelioma in New Jersey to Call for On the Spot Access to the Nation's Top Attorneys to Achieve the Top Financial Compensation Results

NEW YORK, NEW YORK, USA, July 2, 2018 /EINPresswire.com/ -- The New Jersey Mesothelioma Victims Center is urging a US Navy Veteran who has just been diagnosed with mesothelioma, or their family to please call them anytime at 800-714-0303 so they do not mistakenly hire an inexperienced lawyer/law firm.

The group offers a Navy Veteran with this rare asbestos cancer direct access to some of the nation's most skilled mesothelioma attorneys who exclusively handle mesothelioma compensation claims on a full-time basis. The mesothelioma lawyers the group suggests frequently get million-dollar settlements for Navy Veterans with mesothelioma-especially if the Veteran was exposed to asbestos in a ship's engine room, engineering, or if they served on a nuclear submarine as they would like to discuss at 800-714-0303. <http://NewJersey.MesotheliomaVictimsCenter.Com>

The New Jersey Mesothelioma Victims Center says, "When it comes to mesothelioma compensation for a US Navy Veteran, it is incredibly important the attorney you hire has years of experience with Navy Veteran asbestos exposure cases. Hiring a local car-accident attorney or personal-injury attorneys to handle a complex mesothelioma compensation claim could result in a navy veteran with mesothelioma getting dramatically shortchanged as we would like to discuss anytime at 800-714-0303. When we mention shortchanged we are referring to hundreds of thousands of dollars-lost." <http://NewJersey.MesotheliomaVictimsCenter.Com>

The New Jersey Mesothelioma Victims Center has experience helping US Navy Veterans who were exposed to asbestos on the following types of US Navy ships:

- * Destroyers
- * Frigates
- * Air Craft Carriers
- * Battleships (Used during the Vietnam War)
- * Cruisers
- * Fast Attack Submarines (Los Angeles Class)
- * Boomers (Ohio Class Submarine)
- * Amphibious Assault Ships
- * Troop Transport Ships
- * Oilers and Cargo Ships
- * Navy Tugs/Support Vessels

For a listing of all former and current US Navy ships, please refer to the US Navy's website that addresses these topics.

The New Jersey Mesothelioma Victims Center wants to emphasize theirs is a statewide initiative available to a diagnosed Veteran or person anywhere in New Jersey, including communities such as Newark, Jersey City, Paterson, Elizabeth, Edison, Toms River, or Trenton.
