

# Will Millennials Be Happy With More 'Bitches' At Work?

*Female Startup Lands Big Valuation To Keep Pet-Loving Millennials Employees Happy*

FORT WORTH, TX, UNITED STATES, June 13, 2018 /EINPresswire.com/ -- Mala Maharaj, a Dallas female entrepreneur, has successfully raised investment capital for her bold pet startup [Pets Onsite](#). Mala's company solves the problem of how to keep pet-loving Millennial employees happy. This South African born entrepreneur's solution provides companies with a way to allow their employees to bring their pets to work without pets coming inside the office. Pets Onsite plans on designing, building and operating customized permanent, semi-permanent, mobile onsite pet daycares for medium to large corporations. "We've identified 850 medium to large US businesses that are great candidates to offer onsite pet daycare to their employees," states Mala.

of monthly consumable pet supplies.

Recently Millennials have surpassed all other generations as the largest percentage of workers in the USA. They also own more pets than any generation before them. Based on Mala's market research and having Home Depot expressing interest as a Pets Onsite customer, first-round investors gave Mala's company a half million dollar valuation. Companies bear no expenses to start and operate Pets Onsite. Pets Onsite fronts all costs, including construction costs. Thereafter, employees pay to use the service. Pets Onsite services include pet daycare, grooming, veterinary, training and stocking a variety

Mala's not new to the pet business world. [Petclix](#), the pet business she co-founded 12 years ago with her husband, has become the largest provider of on-site mobile pet photography in the country. Petclix is an approved onsite vendor for the two largest property management companies in the USA; Lincoln Property Company and Greystar Real Estate Partners.

"Lincoln and Greystar realize that more of their residents own pets today than ever before. They hire us to provide free professional pet and family photographs to their residents. Companies that don't cater to the pet-loving Millennial employees will find it hard to recruit and retain them. Pets Onsite

provides a huge BONE to attract fur-loving Millennials and to keep their pet-loving employees happy too, “ states Mala. For more information or for investor inquiries go to [www.PetsOnsite.com](http://www.PetsOnsite.com)
