

Dental Consumables 2018 Global Market Challenge, Driver, Trends & Forecast to 2024

Dental Consumables Market Import | Export Outlook and Global Foresight 2024

PUNE, INDIA, June 14, 2018 /EINPresswire.com/ -- Global [Dental Consumables](#) Market is projected to grow at a CAGR of 6.5% and is expected to reach USD 28,345.3 million by 2024. In Global Dental Consumables Market, dental implants accounted for the largest market share in 2015.

Global Dental Consumables is segmented according to the types of dental consumables like dental implants, dental prosthetics, dental restorative material, dental regenerative material, and others. This market is studied including four major regions like America, Asia-Pacific, Europe and Middle East & Africa. Europe holds maximum market share followed by America. In 2015, dental implants had highest market share followed by Dental Prosthetics and Dental Restorative Material. Change in demographic trends, increasing awareness of oral health among people and increasing dental treatments are the reasons growth of dental consumables market globally. Increased competition has been observed between and within the countries as dental care units want to become first choice of patients for their dental treatment. Researches reveal that heart disease, flu transmission and low birth weight are associated with periodontal diseases thus underlining the importance of oral health.

Global Dental Consumables market statistical report published by Market Research future contains a brief overview of Global Dental Consumables market.
