

# Actress Kelly Preston Goes from Blonde Bombshell to Sultry Brunette for Role in “Gotti”

*For her role as the wife of the head of the Gambino crime family in the film “Gotti”, Kelly Preston, went from trademark blonde to rich chestnut tresses.*

TAMPA BAY, FLORIDA, UNITED STATES, June 14, 2018 /EINPresswire.com/ -- Celebrity Hair Stylist [Dawn Shannon](#) created the rich chestnut hair color for the popular American actress, Kelly Preston, for her role as the wife of the head of the Gambino crime family in the film “Gotti” starring John Travolta. (See “Gotti” in theaters starting June 15th)

Dawn has worked with several top celebrities on photo shoots, magazine covers, videos, personal appearances and award-winning documentaries. She has also worked with Kelly Preston for many years and is always on call to help create the perfect look.

To achieve the “Gotti look”, Shannon consulted for weeks ahead of time with Preston and the on-set hair stylist to ensure the shade of dark chestnut brown would not only compliment Kelly, but also accurately portray her character in the film, Victoria Gotti. Kelly Preston's hair color was specially created by doing an all over color of a chestnut brown with a darker chocolate lowlight. It was then glazed with a honey golden chestnut brown to add extra depth and shine.

Shannon used [organic hair color](#) to ensure healthy hair with volume and shine for the hair of the well known and loved actress. The secret was to make the switch well in advance to give the new color and style time to set – a switch that Preston chose to rock on the red carpet at the Emmy Awards.

“

Using organic hair color in an all over chestnut and then adding darker chocolate lowlights with a honey golden chestnut brown glaze to add extra depth is the secret to creating this look.”
