THE PEOPLE'S VOICE

Ken Saffren specializes in personal injury cases along with social security. His firm also handles cases involving wrongful death, property damage, product liability, workers' compensation and medical malpractice.

“

The sidewalk in front of this business was dangerous and posed a safety threat to those who were walking on it. The business owners were negligent by not fixing the sidewalk before injuries occurred.”

Ken Saffren, Partner

Attorney Saffren was recently able to help a victim obtain justice for a personal injury she sustained on a business's sidewalk. The client was walking into the building of a well-known electric company when her walker got stuck in a hole in the sidewalk right before the entrance. As she tried to release her walker from the hole, she fell and sustained multiple injuries.

“The sidewalk in front of this business was dangerous and posed a safety threat to those who were walking on it. The business owners were negligent by not fixing the sidewalk

before potential injuries occurred.”

The client suffered a fractured shoulder along with fractures of the ribs, a shoulder sprain, and shoulder strain. The injured victim also ended up having to spend a few weeks in the hospital.

When she contacted Saffren & Weinberg, Ken was more than happy to take on the case. He resolved the case and obtained a \$125,000 settlement for the victim.
