

Cannabiswebsite.ca announces its exclusive partnership with Greenline POS

CannabisWebsite.ca is proud to be offering marketing support in order to provide an all-in-one solution for dispensary operations offered by Greenline POS.

VANCOUVER, BC, CANADA , June 15, 2018 /EINPresswire.com/ -- CannabisWebsite.ca is pleased to announce an exclusive partnership with Greenline POS. This exciting development allows CannabisWebsite.ca customers to view and manage all inventory through the intuitive and robust management systems provided by Greenline POS.

With this partnership, CannabisWebsite.ca clients will also be able to use advanced functions provided by Greenline POS such as inventory audits, purchase order entry, employee management, as well as reporting on sales, customer, products, and staff.

This connection between Greenline POS and CannabisWebsite.ca will also provide great time savings for customers that run online sales as well as traditional brick and mortar cannabis retail by removing the need to manage inventory for online and instore separately. Now, both inventories can be organized on a single screen, saving business owners hours of redundant work every week.

For those in areas where online sales of cannabis are not allowed by provincial or municipal regulation, having your menu online is still important for branding and pre-ordering for pickup in store. Pre-ordering systems helps with customer checkout times and having an online menu assists in marketing and getting your business name out there. Having an online menu that automatically and accurately displays what is available and what is out of stock can also save your staff much work doing customer service for clients.

CannabisWebsite.ca is an agency built to create and design beautiful websites for cannabis e-commerce. Dedicated to keeping online operations smooth and compliant, CannabisWebsite.ca takes great pride in offering custom tailored features and working closely with customers to create personalized online spaces that meet their specific needs.
