Founders of Santhigram expressed their journey and unravelled future plans to extend ayurveda to benefit more

people

The Founder Director of Santhigram, Dr Ambika Nair, in the welcome address said, “Our efforts and that of our dedicated team have brought solace to hundreds of people suffering from various chronic health ailments who were frenetically in search for a side-effect-free solution to address their health issues.”

Founder Chairman and Managing Director of the company, Dr Gopinathan Nair took the opportunity to describe the journey of Santhigram for the last 20 years and unveiled its future expansion plans to meet the ever increasing demand of Santhigram's Healthcare Services,

"We need to humbly acknowledge and accept the fact that the multitude of hurdles and challenges we faced in our paths encompassing various arenas were in plenty. We are pleased to say with great pride that we have moved forward by overcoming various obstacles we confronted and successfully managed to spread our wings not only in India but also to as many as five states in the United states , namely, New Jersey, New York, Texas, Illinois and Wisconsin and have established our Centers to as many as 12 locations in US as of date. This would not have been possible without the support of our dedicated team, well-wishers, friends and above all the clients who have availed our services by putting absolute faith in the effectiveness of the unique system Kerala specific Ayurveda Treatments propounds to alleviate various health issues."

Felicitations and product launch

The chief guest, the eminent music director and producer, Padma Shri Mr Jawahar Wattal narrated his experience with Santhigram. Congratulating Santhigram for its cardinal role in expanding Ayurvedic medicine as an alternative and complementary medical care for growing numbers of people, he also pledged support for efforts taken by Santhigram – a number of clients, relieved from their health problems expressed their gratitude to Santhigram.

Not wanting to be outdone, Santhigram felicitated more than 15 important persons who have supported its 20 years of Journey in India and helped Santhigram's efforts to establish its business since its inception.

During the event, Santhigram Ayurveda training School and Santhigram Herbal Products were formally launched. Trained persons from the school would fill the gaps within Ayurveda modalities – they are also a part of Santhigram's future venture, meeting the shortage of critical specialist workforce.
