

# Feeling is Healing

---

LAGUNA HILLS, CALIFORNIA, USA, June 16, 2018 /EINPresswire.com/ -- Many people on the spiritual path believe they can read their way to enlightenment. Not so, says spiritual Master Louix Dor Dempriey.

Louix, who for the past 20 years has been helping people worldwide attain self-mastery, teaches that “feeling one’s emotions” is critical to spiritual growth and evolution.

The journey to God-realization is not an intellectual one. Although books have a role in spiritual development, the way to truly grow and heal is through feeling one’s emotions.

In his poignant discourse [Feeling is Healing](#), Louix explains:

“The way to experience love (which equals God) is by breaking the walls down, by opening up the dungeon doors, and by giving yourself permission to feel.”

When you open yourself to feeling your emotions—no matter how painful or seemingly “bad” the emotion—the evolution of your consciousness is accelerated immeasurably.

“Feeling is healing. Denying is dying.”
