

ACS Group and GGK Tech exhibiting at AHIP Institute & Expo

Recent acquisition, GGK Tech (now part of ACS Group) and ACS Group combine innovation for annual conference

DULUTH, GA, UNITED STATES, June 19, 2018 /EINPresswire.com/ -- ACS Group, a premier provider of IT Consulting, Engineering, Consulting, Healthcare, Talent, and Workforce Management Solutions to Fortune 1000 companies globally, and recent acquisition, GGK Tech, a part of ACS, that specializes in global IT consulting, will be showcasing their combined innovation during AHIP Institute & Expo in San Diego, California, June 20-22, 2018.

Our solution business is focused on driving out costs that can be reinvested in innovative initiatives to meet our clients' core mission. ”

Don Stoner, Group Vice President of ACS Group

AHIP Institute & Expo is a creative, idea sharing experience built on smart partnerships and an inspiration to drive change. Participants will enjoy candid discussions with other

healthcare professionals from around the country.

There is an array of educational tracks available to attendees including: Advancing APMs and Value-Based Care Strategies, Industry Disruption and Product Innovation, Transforming Complex Care Delivery, Navigating Uncertainty, Health Reform and Market Transition, Health Care CX Strategy and Execution, Technology, Trends and Business Insight, Data, Analytics and Actionable Intelligence, Prevention, Well-Being and Population Health Improvement.

This year's attendees will get the opportunity to meet the ACS Group/GGK Tech team of knowledgeable and skilled professionals and are invited to stop by our booth #239 June 20-22th.

“ACS Group is excited to talk about how our array of solutions for payers and providers can help solve the challenges that AHIP attendees see every day. Whether it's Natural Language processing, Big Data, or EDI, ACS Group has the experience and industry-leading delivery models to get you to the next level,” said Joe Wivoda, Senior Director of Healthcare for ACS Group, who will be part of our team exhibiting at the event this year.

In the current times of exceedingly complex health care environments, health care plans face severe competition, heightened sensitivity to health care costs as well as increasing demands for new products and services.

In order to address these challenges and evolve to meet industry requirements, health care payers need a technology platform that can help them adapt to these inevitable changes and reduce administrative costs.

“Our solution business is focused on driving out costs that can be reinvested in innovative initiatives to meet our clients' core mission. Within our healthcare clients it is all about reinvesting in improved

patient outcomes,” Said Don Stoner, Group Vice President of ACS Group who will also be part of our team exhibiting at the AHIP Institute & Expo.
