

LGBTQ Denver PrideFest Gets FICO Lord Poobah and United States Child ID Guardian Howe High as Kite

United States Credit Czar celebrates the best of humanity with hundreds of thousands at Denver Gay Pride 2018

DENVER, COLORADO, UNITED STATES OF AMERICA, June 19, 2018 /EINPresswire.com/ -- <u>SubscriberWise</u>, the nation's largest issuing consumer reporting agency for the communications

Yes, it's critical that each of us remember our nation's dark and shameful past with bigotry, hatred, and injustice against our fellow citizens so that we're not condemned to repeat it."

FICO Lord Poobah and USA Credit Czar David Howe industry and the leading protector of children victimized by identity theft, announced today the attendance at the 2018 Denver Gay Pride Festival (https://denverpride.org/) by SubscriberWise founder, national child identity guardian, and US Credit Czar David Edward Howe.

The annual event was attended by an estimated quarter million people and celebrates the incredible diversity, humanity, community concerns, love, and remarkable talents of the LGBTQ community -- including their families, friends, and supporters from around the nation and the world.

"If any one is wondering if the United States Credit Czar is flying high as a kite after returning from the 'Mile High' city, then wonder no more," exclaimed David Howe, SubscriberWise founder and USA identity guardian for America's babies, girls, and boys. "But don't assume it's a high from the Colorado- widely-available miracle plant known as <u>Cannabis</u>. Rather, the Credit Czar achieved an unmedicated and blissful high from a weekend of celebration with hundreds of thousands of loving, generous, thoughtful, courageous, and profoundly creative individuals who marched for equity and justice around Denver and the Colorado State Capitol.

"Yes, this year's Denver gay pride parade and festival was indeed a spectacular event," continued Howe. "However, among all the VIPs, the colorful parade and grand events, the corporate supporters including Coors, FedEx, Google, HP, Nissan, Sheraton, Target, United Airlines, US Bank, and so many others -- the most meaningful thing for Credit Czar was to witness so many families and so many children celebrating inclusion, diversity, tolerance, and acceptance for all.

"But we must keep in mind that there is also a serious side to gay pride festivals here and around the world," insisted Howe. "The serious side involves the struggle for civil and human rights – and the rights of every human being for that matter. Yes, it's critical that each of us remember our nation's dark and shameful past with bigotry, hatred, and injustice against our fellow citizens so that we're not condemned to repeat it.

"June is LGBTQ pride month and celebrations take place all over the USA and the world," added Howe. "The catalyst for gay pride is to honor the Stonewall riots in Manhattan decades ago and, in particular, the incredibly strong and courageous individuals who fought for their rights and the rights of others. Moreover, it's a time to recognize, appreciate, and celebrate the incredible and continuous

impacts from the LGBTQ community on the inhabitants of the world.

"Yes, I'm so grateful I had the opportunity to join the cause – and the celebration -- in Denver 2018," the United States Credit Czar concluded.
