

POC Blood Gas and Electrolyte Market 2018 Global Share, Trend, Segmentation and Forecast to 2021

PUNE, INDIA, June 20, 2018 /EINPresswire.com/
--

Global POC Blood Gas and Electrolyte Market

WiseGuyReports.com Presents "Global POC Blood Gas and Electrolyte Market 2017-2021" New Document to its Studies Database. The Report Contain 86 Pages With Detailed Analysis.

Description

The point of care (POC) devices in blood gas and electrolyte segment in IVD are employed for diagnosing the abnormal rate of metabolites in the blood. These devices are responsible for the measurement of the partial pressure of oxygen in the individual's body by detecting the concentration of vital elements such as sodium, potassium, and calcium (macro elements within the body). The results derived from these analyzers helps in accurate diagnosis of various non-communicable diseases (NCDs) including asthma, chronic obstructive pulmonary disease (COPD), kidney failure, uncontrolled diabetes, severe infections and increasing in toxicity level due to drug overdose.

The analysts forecast the global POC blood gas and electrolyte market to grow at a CAGR of 5.95% during the period 2017-2021.

Covered in this report

The report covers the present scenario and the growth prospects of the global POC blood gas and electrolyte market for 2017-2021. To calculate the market size, the report considers the revenue generated from the sales of various types of analyzers and consumables used for treatment.

The market is divided into the following segments based on geography:

- Americas
- APAC
- EMEA

The Global POC Blood Gas and Electrolyte Market 2017-2021, has been prepared based on an in-depth market analysis with inputs from industry experts. The report covers the market landscape and its growth prospects over the coming years. The report also includes a discussion of the key vendors operating in this market.

Key vendors

- Alere
- F. Hoffmann-La Roche
- Instrumentation Laboratory
- Radiometer

Other prominent vendors

- Abbott
- Bayer
- Cornley
- Convergent Technologies
- Edan Instruments
- Erba Diagnostics
- Fortress Diagnostics
- i.SENS
- JOKOH
- LifeHealth
- Medica
- Nova Biomedical
- OPTI Medical (Idexx)
- Perlong Medical
- SENSACORE
- Siemens Healthineers
- Sphere Medical
- ZOLL Medical

Market driver

- Rising geriatric population
- For a full, detailed list, view our report

Market challenge

- High cost of replacement and maintenance
- For a full, detailed list, view our report

Market trend

- Paradigm shift from benchtop to portable POC blood gas and electrolyte devices

For a full, detailed list, view our report

Key questions answered in this report

- What will the market size be in 2021 and what will the growth rate be?
- What are the key market trends?
- What is driving this market?
- What are the challenges to market growth?
- Who are the key vendors in this market space?

Table of Contents -Major Key Points

PART 01: Executive summary

PART 02: Scope of the report

PART 03: Research Methodology

PART 04: Introduction

- Market outline

PART 05: Market landscape

- Market overview
- Market size and forecast
- Five forces analysis

PART 06: Market segmentation by products

- Market overview
- Consumables
- Instruments

PART 07: Market segmentation by end-user

- Market overview
- Hospitals and clinics
- Clinical diagnostic laboratories
- Homecare settings

PART 08: Geographical segmentation

- Market overview
- POC blood gas and electrolyte market in Americas
- POC blood gas and electrolyte market in EMEA
- POC blood gas and electrolyte market in APAC

PART 09: Decision framework

PART 10: Drivers and challenges

- Market drivers
- Market challenges

PART 11: Market trends

- Paradigm shift from benchtop to portable POC blood gas and electrolyte devices
- Data management and connectivity through interoperability
- Shift from traditional central laboratory blood gas analysis to near-patient site testing

PART 12: Vendor landscape

- Competitive landscape

PART 13: Key vendor analysis

- Alere
- F. Hoffmann-La Roche

- Instrumentation Laboratory
- Radiometer
- Other prominent vendors
