

French Fashion Sister Duo Bring Couture Sensibilities to the US.

Fashion model LeednaBo and fashion blogger Dalida combine historic fashion handbags with a modern flair.

LOS ANGELES, CA, USA, June 20, 2018 /EINPresswire.com/ -- ----- [Fanny](#) (known as the model: [LeednaBo](#)) and her sister [Dalida](#) have great fashion instincts. As a fashion, lifestyle and runway model Fanny was often accessorized with elegant and unique handbags and clutches. As a fashion blogger, Dalida was always searching for captivating fashion ideas that were worth blogging about. By incorporating the best fashion elements of the 60's and 70's and adding a current, modern flair, the sisters are on the forefront of something extraordinary with LeednaBo handbags and clutches.

French sisters Dalida and Fanny are the creative force behind LeednaBo.

Creating designer handbags is no accident for the talented designers at LeednaBo. They like to say that sewing is in their blood. Fanny and Dalida used to watch their mom sewing and fixing outfits as well as designing patterns. Dalida and Fanny created outfits and small handbags for their dolls during their pre-teen years.

Eventually, Dalida and Fanny began selling the handbags they created. They would listen to what their customers liked and incorporate that advice into future handbag designs. The designs the women created was often met with enthusiasm. LeednaBo was born.

The philosophy of LeednaBo rests in the idea is that: "no one fits into just one category but each category should lie in luxury." Fanny and Dalida were on a mission to create a luxurious line of handbags and clutches that would make a woman feel elegant whether she was dressed in an evening gown or a pair of jeans and T-shirt.

Fanny and Dalida are multi-faceted people. They are each a unique combination of a bunch of different things. Fanny lives in Los Angeles and Dalida lives in Paris (where they are from). This chic French sister duo are determined to reintroduce style elements of the 60's and 70's and incorporate the perfect combination of modern day styling.

The result is dazzling and uniquely stylish.

About LeednaBo

LeednaBo was founded on the principle that a nod to the past (the 1960-s and 70's) combined with a modern elegance can produce a captivating combination. The company is based in Los Angeles and Paris.
