

# Ohio Mesothelioma Victims Center Now Urges a US Navy Veteran with Mesothelioma or Their Family to Call for Direct Access to the Nation's Top Attorneys Who Overachieve on Client Compensation Results

NEW YORK, NEW YORK, USA, July 13, 2018 / EINPresswire.com/ -- The Ohio Mesothelioma Victims Center says, "If you are a US Navy Veteran who has been recently diagnosed with mesothelioma in Ohio, or this your immediate family member, please call us anytime at 800-714-0303. We want to prevent you from hiring an inexperienced lawyer/law firm. If you want the very best mesothelioma financial compensation we offer direct access to some of the nation's most skilled mesothelioma attorneys who exclusively handle mesothelioma compensation claims on a full-time basis-nationwide.

"The remarkable legal specialists we suggest also consistently overachieve when it client compensation results. A mesothelioma compensation claim for a US Navy Veteran with this rare cancer could start at about a million dollars-especially if as a sailor they were exposed to asbestos in a navy ship's engine room, machine-repair shops or while the ship was undergoing repairs at a shipyard as we would like to discuss anytime at 800-714-0303." <http://Ohio.MesotheliomaVictimsCenter.Com>

“

A mesothelioma compensation claim for a US Navy Veteran with this rare cancer could start at about a million dollars”

*Ohio Mesothelioma Victims Center*

The mesothelioma attorneys suggested by the group work on Navy Veteran mesothelioma compensation claims nationwide, and they have an extremely thorough understanding of navy ship engine rooms, most places on a navy ship where a sailor could have been exposed to asbestos, as well as the specific manufacturers of pipe insulation, pumps, gaskets, and more. They also can name every single US Navy shipyard because these are the types places where a US Navy Veteran could have had super exposure to asbestos. Before a Navy Veteran

with mesothelioma retains the services of a lawyer-law firm to assist with a mesothelioma compensation claim they are urged to call the group anytime at 800-714-0303.

The Mesothelioma Victims Center has experience helping US Navy Veterans who were exposed to asbestos on the following types of US Navy ships:

- \* Destroyers
- \* Air Craft Carriers (Essex & Nimitz Class)

- \* Cruisers
- \* Fast Attack Submarines (Los Angeles Class)
- \* Ohio Class Submarines
- \* Amphibious Assault Ships
- \* Oilers and Cargo Ships
- \* Navy Tugs/Support Vessels

For a listing of all former and current US Navy ships, please refer to the US Navy's website that addresses these topics.

[http://www.navy.mil/navydata/our\\_ships.asp](http://www.navy.mil/navydata/our_ships.asp).

The Ohio Mesothelioma Victims Center wants to emphasize there is a statewide initiative available to a diagnosed victim anywhere in Ohio including communities such as Columbus, Cleveland, Cincinnati, Toledo, Akron, Dayton, or Youngstown.

Aside from their focus on the best possible compensation the Center is also extremely passionate about the best possible medical treatments. For the best possible mesothelioma treatment options in Ohio the Ohio Mesothelioma Victims Center strongly recommends the following three health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at each hospital: Case Western Reserve University Cancer Research Center Cleveland, Ohio: <http://cancer.case.edu/>, Ohio State University Comprehensive Cancer Center Columbus, Ohio: <http://cancer.osu.edu/>, the Cleveland Clinic Taussig Cancer Institute Cleveland, Ohio:

<http://my.clevelandclinic.org/services/cancer>

High-risk work groups for exposure to asbestos in Ohio include Veterans of the US Navy, power plant workers, factory workers, plumbers, electricians, auto or tire factory workers, coal miners, auto mechanics, machinists, and construction workers. Typically, exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's.
