residential property market, announces that it will be exhibiting at the 2018 Building Owners and Managers Association (BOMA) International Conference and Expo on June 24-25, 2018 at booth 932 at the Henry B. Gonzalez Convention Center in San Antonio, Texas. SemaConnect is an Ambassador Partner of BOMA, supporting BOMA’s goals of advocacy and providing valuable educational resources for BOMA members. SemaConnect will be displaying their EV charging stations at the booth. Conference attendees can

see what these smart EV charging stations look like in addition to having questions answered by the industry experts from SemaConnect. The BOMA International Conference and Expo is one of the fastest growing tradeshows globally.

“We are very proud to be exhibiting at the 2018 BOMA International Conference and Expo,” said Jesus Ferro, Director of Marketing. “We look forward to sharing our cutting-edge technology and insights on the EV industry with conference attendees.”

With 45 plug-in cars available in the United States market and counting, the need for electric vehicle charging stations at commercial properties is growing. Building owners and managers have many factors to consider when offering EV charging as a service. That is why SemaConnect is displaying at the 2018 BOMA International Conference and Expo and offers USGBC-endorsed educational webinars that are tailored for building owners and property managers.
