“

In 7 years, offsite construction will account for 40% of the buildings & products described above. This is due to advances in robotics, & software technology resulting in speed and unmatched factory QC.”

*Michael Rosenberg*

“The secret is out. Within 7 years, off-site construction will account for over 40% of the buildings & products described above. This is due to advances in robotics and space age speed in design software technology as well as industry realization of the superior delivery time and unmatched QC in factory construction.”
