IT Governance to sponsor and attend Holyrood's 7th annual public-sector ICT event

ELY, CAMBRIDGESHIRE, UNITED KINGDOM, June 25, 2018 /EINPresswire.com/ -- Edinburgh, United Kingdom, 25 June 2018 – IT Governance, a leading provider of information security accredited training courses and ISO 27001 expertise, will sponsor and attend this year's Holyrood Connect ICT conference as it continues to support Scotland's public sector with its cyber resilience strategy.

On 27 June, Scotland's premier public-sector ICT event will bring together professionals from across the country, and beyond, to examine the latest developments, practice and innovation. IT Governance will be on hand to meet with organisations to offer answers and solutions to their cyber resilience needs.

This year has seen IT Governance expand its worldwide presence with a new office in Edinburgh at a time when Scotland's public sector is under more pressure than ever before with the launch of the Scottish Cyber Resilience Framework. Event attendees are encouraged to meet with IT Governance to discover how the company can support organisations in initiating and maintaining a compliance project through resources and services such as certified training courses, books, documentation toolkits, staff awareness, compliance tools and consultancy.
