

Gov. Cuomo Keeping Sex Crimes against Children from DA's

Almost all sex crimes and rapes of children with disabilities within Gov. Cuomo's mental health agencies are covered-up

ALBANY, NEW YORK, UNITED STATES, June 25, 2018 /EINPresswire.com/ -- Governor Cuomo is making sure that most sex crimes against children disappear internally and are never reported to local police and county elected District Attorney's so they cannot be prosecuted. Cuomo is protecting [sexual predators](#) and pedophiles.

It is time for Governor Cuomo to be held accountable.

[Governor Andrew Cuomo](#) is directing a criminal enterprise that is deeply rooted in Medicaid fraud that involves wide-scale obstruction of justice and human rights atrocities of epic proportion.

[The Jonathan Carey Foundation](#) which has a mission to help vulnerable children has been exposing Governor Cuomo for years, yet people that he has personally handpicked and appointed are doing everything possible to protect him. Agencies with authority that have the responsibility to protect children from crimes and hold their perpetrators and rapists accountable continue to look the other way. What is done in the darkness is coming into the light.

“

Cuomo is protecting sexual predators and pedophiles.”

Michael Carey - Civil Rights & Disability Rights Advocate

Governor Cuomo guarantees the cover-ups sex crimes by circumventing the local 911 call systems. Cuomo has directed sexual assaults and rapes of children with disabilities to be reported internally to his totally controlled abuse hotline, wrongfully titled the Justice Center, which was set up to cover-up.

The New York Times Editorial Board called for critical reforms over four and a half years ago to end such practices, but Governor Cuomo has ignored them and other respected civil rights and disability rights advocates. Keeping reported sexual assaults from being reported to 911 has kept the police out of the picture allowing Gov. Cuomo and his fraudulent Justice Center to literally cover-up almost all sexual assaults and rapes of children.

Governor Andrew Cuomo's system is called “a predators dream” by one caught and jailed sexual predator and pedophile that was thankfully ensnared in a federal child porn sting. Stephen

DeProspero was a state employee that worked within Cuomo's State agency that was sexually assaulting the young disabled boy where he worked for an extended period of time. This story will sicken you, but you must read it.

"The lack of supervision there made it easy to do what I did," DeProspero said in a handwritten affidavit obtained by The Associated Press. "I could have stayed in that house for years and abused him every day without anybody even noticing at all. It was a predator's dream."

Currently, astronomical numbers of children are victims of rape and sexual assaults within Cuomo's mental health agencies every year and hardly any of these crimes are prosecuted. Only a tiny percentage of what is really going on behind closed doors is ever reported according to a very reputable report and study called "Prevalence of Violence" which claims approximately 3% of sexual assaults against the developmentally disabled will ever be reported.

Federal criminal and civil rights investigations have been requested of the US Department of Justice surrounding Governor Andrew Cuomo's direct involvement for years in covering up massive numbers of sexual assaults and rapes and for violating the civil rights of children. The main motive behind these crimes without question is a massive Medicaid fraud scheme. The sexual predators that prey on our most vulnerable children are very sick individuals, but those that protect and shield these criminals from prosecution are far worse and far more dangerous.

Governor Andrew Cuomo who has a distinct history of not protecting children or ensuring children's equal rights is responsible for ensuring the cover-ups of thousands of sex crimes. It is time for Governor Cuomo to be held accountable.
