Dallas, TX, June 25, 2018 – What if you could read a book that would show you a real life, Jesus-focused pathway to an awesome family? [Crazy Cool Family](#) is written by a couple that has already raised seven Godly kids and has taught hundreds of other families how to seek God's best for their families. All this while enjoying success professionally! “This is our story,” Author and Speaker Don Manning says. “But it's your story, too. Don is the CFO of a real estate company and serves on the elder board of Valley Creek Church, a church he and his wife Suzanne helped start over 25 years ago. Suzanne previously served as the Minister to Girls at Liberty Christian School and has been a homemaker for the past quarter century for their four girls and three boys.

Do you want your kids to love Jesus? Do you want to have family relationships that are healthy for the long-term? What if everyone in your family could be best friends with one another for life? This book will show you how to build your marriage and your family so that home is your favorite place in the world! A place of love and laughter, adventure and affection and, most of all, a place where Jesus is followed!

Over time, God has given the Mannings' opportunities to share with other families from dinners to conferences. As they shared with others, they found the message of "Rethinking the Way We Do Family" was filling parents with belief instead of fear and making family fun again.

"All of this experience, plus much more, led us to write Crazy Cool Family. Our book is an overview of what God has taught us in the last three decades of family and a guide for how anyone can build their own Crazy Cool Family," Says Suzanne.

The Crazy Cool Family story is captivating from start to finish — You will gain a sense of belief that even in this day and age, with our nation fighting depression and suicides, video games, social email, societal pressures and the daily stresses we all have, we can still thrive as families and develop a life with the power of God's love, forgiveness and freedom. This remarkable family will provide hope to everyone, no matter the family circumstance.
