BOISE, ID, USA, June 25, 2018 /EINPresswire.com/ -- National [HouseCheck](#) has announced William G. Klehm, former Chairman and CEO of Fallbrook

We have a tremendous opportunity to innovate and bring full transparency to a critical but often overlooked facet of real estate."

HouseCheck

Technologies and current member of the HouseCheck Board of Directors, as President and COO of the company. Klehm will oversee and direct the day-to-day operations of HouseCheck, guiding the organization's growth and impact on the Home Inspection and Real Estate industry.

"It is my privilege to take on this new and exciting role with HouseCheck," says Klehm. "We have a tremendous opportunity to innovate and bring full transparency to a critical

but often overlooked facet of real estate. We have already made an impact and there are big plans moving forward. We have unmatched talent working tirelessly to deliver changes to these industry that are long overdue, and I am eager to help take our mission to the next level."

Klehm joined is a founding member of the HouseCheck Board of Directors, which was formed in 2016 while he served as CEO for Fallbrook Technologies. During his 14 years at Fallbrook, Klehm guided strategic development and drove innovation which established Fallbrook as a global leader in technology and manufacturing. Under Klehm's leadership, Under Klehm leadership Fallbrook established an industry-leading intellectual property-based licensing business model.

"I am thrilled to have Bill join the Housecheck team as President and COO," says HouseCheck CEO, Dennis Conforto. "He is liked and respected by our entire team, and he is as seasoned as he is talented. With over four decades of experience in partnerships, innovation and leadership, Bill is the best of the best that I have had the privilege of working with. It's an honor to have someone of his abilities, intelligence and reputation leading the charge for HouseCheck."

Prior to Fallbrook, Klehm amassed over 20 years of automotive-related experience, holding several positions with management responsibilities in the automotive business, including finance, marketing, sales, product development, and manufacturing operations. Klehm has served as President and General Manager of Newgen Results Corporation, an automotive customer relations management firm; and as President and SBU Director for Visteon Climate Control Systems Ltd.

He began his career with Ford Motor Company in 1985 and held a variety of posts within the Ford Customer Service Division where he was responsible for developing and executing the marketing/growth strategy for its customer service parts business.

Klehm holds a B.A. in Management and Marketing from Northwood University and also participated in the Harvard Business School Executive Education Programs.
