

ArrowPointe FCU Makes Plans to Introduce New Financial Literacy Program Within Fort Mill School District Athletics

FORT MILL, SC, UNITED STATES, June 27, 2018 /EINPresswire.com/ -- Fort Mill School District has announced a three-year community partnership with ArrowPointe Federal Credit Union, a credit union owned by members, not for profit, and focused on helping the community. In addition to providing support for the district's middle school and high school athletic programs, the partnership will also introduce a financial literacy program through Bentley's Kids Club, a program designed to teach children about the value of saving money.

"We are very excited to support our Fort Mill School system and their heavy focus on language, literacy and math," explained Melissa Burrell, Branch Manager in Fort Mill, SC. "We agree that these skills are critical for a student to serve as a highly functioning member of society. As a Fort Mill native, I am pleased and proud of the continuous drive for change and betterment in the Fort Mill schools and in our community."

As a strong supporter of education and interscholastic athletic programs, ArrowPointe also plans to implement multiple "School Spirit Give Back Programs" for students and families within the Fort Mill School District. Mention these programs in connection with your Fort Mill School, and ArrowPointe will donate money back to the schools to use for supplies they need. Official details and campaigns are scheduled to launch this fall.

"We are excited about this new partnership with ArrowPointe Federal Credit Union," said Dr. Chuck Epps, Fort Mill School District Superintendent. "Their commitment and support of both our academic and athletic programs echoes the district's mission of placing 'Children First...Every Day' and will play a critical role in the development of our students."

With this investment, Fort Mill School District Athletics news and information will remain easily accessible through their district-wide, multi-media platform, fortmillathletics.com. It will continue to provide student-athletes, families and fans with content including: game and practice schedules, scores/results, team and program news, events, photos, videos and highlights all in one convenient location.

About Fort Mill School District:

The Fort Mill School District's commitment to its mission, "Children First...Every Day," is at the heart of each decision made by staff, teachers, and trustees. Geographically, the district is one of the smallest in the state but has the fastest growing student population, serving more than 15,000 students in 16 schools. The district is one of the top performing districts in the state, based on performance data. Students score well above state and national averages on the SAT and ACT exams. Additionally, the district offers the opportunity to engage in rigorous coursework, with 17 AP courses available, and 85 percent of students scoring a 3, 4, or 5 on the AP exams. In 2018, the senior classes of Fort Mill and Nation Ford high schools earned a combined total of more than \$31 million in scholarships. We balance our commitment to academics with a dedication to arts and athletics programming, creating well rounded students with varied interests.
