

GROWTHSOURCE BRINGS CANNABIS ONE OF A KIND COMPLIANCE SOLUTION TO MARKET

Federal, State, Municipal Compliance Plus OSHA, Incidents, Corrective Actions, Business Practices and Training all Tracked in One Application

PHILADELPHIA, PA, USA, June 26, 2018 /EINPresswire.com/ -- GrowthSource, a [Cannabis Compliance](#) Consulting organization, announces the market release of [GS4 Compliance](#), its Cannabis specific [compliance](#) application, focused on allowing the cannabis industry an easier, more efficient and more cost-effective pathway to total compliance with one simple and easy to use application.

Users of GS4 Compliance can self-inspect their facilities or utilize a third-party inspector on a federal, state and municipal level (if applicable) to ensure total compliance. In addition, Cannabis operations can self-inspect, track and report on OSHA requirements, track incidents of any type, corrective actions of all types, any business practice can be standardized and inspected as well as training can be tracked with a robust alert system as well as powerful reporting on all aspects of the system. GS4 Compliance also integrates with many of the in-house systems users are operating on a daily basis. Save time and money, improve your business processes, grow your margins, avoid costly compliance fines, decrease your risk and turnover rates and manage your business more easily with one simple dashboard.

“Our users are reducing their paperwork time by several hours per department per week within the first week of utilizing GS4. After those efficiencies, our clients are quickly reaping the rewards of process improvements liked reduced incidents, reduced inventory loss and asset duplication or loss. The avoidance of potential fines is significant by the discipline of accurately following the SOP’s and the stark reality of what wasn’t being done prior to implementing GS4.” Stated Kimberly Goodman, President of GrowthSource.

GS4 Compliance is available through GrowthSource. More information on the product can be found by contacting GrowthSource’s via their website at www.growthsource.com or calling 610.308.2293.
