

Disaster Restore 365 All Set to Double Their Growth in 2019

Leading Houston-based restoration company, Disaster Restore 365, announced its milestone of \$1,000,000 in sales.

HOUSTON, TX , USA, June 28, 2018 /EINPresswire.com/ -- Disaster Restore 365, a 24/7 property damage restoration service provider in Houston, Texas, announced that it has achieved a milestone \$1,000,000 in sales and that too in the shortest possible time. The company stated that with its current performance, it was confident of being able to double its growth in 2019.

Disaster Restore 365 takes pride in its professionally trained and certified team of experts, who have all received the Institute of Inspection Cleaning and Restoration Certification (IICRC). This has helped the company become the go-to choice for not just homes and businesses but also insurance companies for its impeccable and on-time, on-budget services. From storm damage to property to water damage, fire damage and mold damage restoration, Disaster Restore 365 offers comprehensive services for residential and commercial properties in Houston, Texas.

Owner of Disaster Restore 365, Nathan Evans, stated, "I have started 4 restoration businesses in my life and this has been the fastest growing to date. There is such a need for a great disaster restoration company in Houston and Disaster Restore 365 is at the forefront of providing state-of-the-art services."

The company offers 24/7 restoration services, while specializing in disaster cleanup, construction services and contents restoration as well. The qualified and skilled design team works with residents and property owners to reconstruct damaged properties, following a disaster. They also provide services during appliance failure, plumbing leaks, bathroom overflow and more.

According to team member Christine Bock, "I love the fast pace that comes with the disaster restoration business. I love working with great people that care about our clients so much." To this, Daniel Rivas added, "I have just started working with Disaster Restore 365 and I love the employees here. It is like one big happy family. The company is set up for massive growth and I could not be happier."

An expert in all facets of disaster restoration and construction, owner Nathan Evans has a good 30 years of experience in disaster restoration work across various states, from Texas to Tennessee and even Alabama. He started his first disaster restoration company in Alabama in

1992 then added 3 additional locations in TN over the next 7 years and sold them in 2008. After this, he started Disaster Restoration 365 in 2009, with Nathan proudly stating that Houston, TX, has been the fastest growing location.

The company has also launched a website, www.disasterrestore365.com/, for easy access to its services, while also being available on the phone. Disaster Restoration 365 is also known for its immediate consultation and free onsite inspection and construction estimates.

About Disaster Restore 365: Launched in 2009, the company offers turnkey disaster restoration services, from onsite inspection to complete reconstruction. Its services include fire restoration, storm damage restoration, water restoration, mold remediation and more. The company uses the services of highly qualified and experienced professionals, while the owner, Nathan Evans has certifications in many areas of Disaster Restoration, including AMRT, WRT, ASD, CDS, CPT, FSRT, UFT, OCT and RCT. He has also won several awards for providing outstanding services, such as the Future 50 Award for 5 consecutive years straight for the fastest growing business in Nashville, TN.
