

Commercial Cleaning Franchise Image One Gets Dirty for a Day in the Name of Charity

Image One team participated in exclusive 2018 Muddy Bunker Corporate Challenge to raise funds for Bunker Hill Charities

ROLLING MEADOWS, IL, USA, June 28, 2018 /EINPresswire.com/ -- 364 days of the year, Image One is laser-focused on ensuring facilities remain as clean as possible. June 9 was a slightly different day for the commercial cleaning franchise.

That's because franchisees and members of the corporate team took part in a five-mile mud run on a 450-acre farm in northern Illinois alongside other businesses raising money for charity and building comradery every step (and climb) of the way.

The 2018 Muddy Bunker Corporate Challenge raised \$125,000 for charities across Northern Illinois, including Bunker Hill Charities, the United Way, Crystal Lake Service League, MCC Student Vets of American and others.

Facing more than 30 obstacle courses, including jumping off a three-story platform during a “stunt jump” station, manually ziplining across a lake and scaling a tall mud trench in four-foot deep water, the team worked hard and got really wet and really, really, muddy.

“

It isn't often that I can say I literally ran through fire!”
Tim Conn, President of Image One

“We had such a great time participating in the mud run and obstacles,” said Image One President and Co-Founder Tim Conn. “It was a really memorable experience that allowed us to be charitable and have a ton of fun with our team. I mean, it isn't often that I can say I literally ran through fire!”
