

Giti Commercial Tires Coming to North America

Global tiremaker Giti is introducing its commercial truck tire brand, including 17 tread patterns and 59 SKUs, to North America

RANCHO CUCAMONGA, CA, UNITED STATES, June 29, 2018

/EINPresswire.com/ -- [Giti Tire](#) (USA) is launching the Giti brand of commercial truck tires in North America with a comprehensive line-up for long haul, regional, urban/light duty and mixed service applications.

The tire manufacturer provides original equipment commercial truck tires to more than 300 models of trucks and buses worldwide and has successful commercial dealer networks across the globe. The Giti brand for replacement and OE is now in North America!

"We are very excited to be launching the Giti brand of commercial truck tires in the US and Canada. Having our own R&D Center in South Carolina affords us access to global technology while focusing on specific service conditions for our clientele in North America," said Armand Allaire, executive vice president of commercial sales for Giti Tire (USA) Ltd. "Our Giti brand incorporates outstanding retreadability into 17 tread patterns and 59 SKUs. We also updated pattern naming conventions to help users and dealers select the correct application, making it simple for owner operators, fleets and dealers to shop. For instance, [GTL922FS](#) means Giti Trailer Long Haul and FS is Fuel Saving."

Next generation technologies are now available to North American fleets and owner operators, featuring the new:

- GSR225 – Regional steer
- GDL633FS – Long Haul Ultra Wide Base drive tire
- GTL933FS – Long Haul Ultra Wide Base trailer tire
- GAM851 – All Position Mixed Service tire
