

Say Hello to Modern Elegance with a Stay at The Bungalows at Calistoga

Napa Valley's newest boutique hotel opens in Wine Country

CALISTOGA, CA, UNITED STATES, June 29, 2018 /EINPresswire.com/ -- Family Investment Company, a single-family investment company based in Southern California, announces the opening of [The Bungalows at Calistoga](#), a premier wine country destination at the top of the Napa Valley. Calistoga is home to approximately 60 wineries, the Old Faithful Geyser, and wellness offerings that include hot springs and mud baths. These newly-built craftsman homes are located within walking distance of downtown on Wappo Avenue and retain the charm of Calistoga. Each bungalow has been designed with relaxed tones, high ceilings, a spacious living area and dining and kitchen space perfect for guests whose desire is to comfortably lounge and relax.

The Family shared their inspiration: "We decided to construct this property because we love to travel and find that in many cases, the hotel rooms are too confining, dark, and limiting. We want to feel comfortable and relaxed, just like we're at home, but better because The Bungalows are located in the middle of wine country!"

The Bungalows at Calistoga are expected to be a top choice for guests who seek a stay in a stunning modern craftsman home designed and decorated to make you feel like you just stepped into a magazine photo shoot. Each bungalow sleeps up to four guests and may be booked separately or in its entirety.

Features of The Bungalows at Calistoga include:

- King size bed in bedroom as queen size sofa bed to allow up to 4 persons to comfortably relax.
