

# 10-Year TraceGains Veterans Receive Swiss Watches

*Five TraceGains employees were honored for their decade-long service*

WESTMINSTER, CO, UNITED STATES, July 9, 2018 /EINPresswire.com/ -- TraceGains, the leading compliance software solution, revolutionizing information exchange across the supply chain for food, beverage, and CPG companies, marked a major milestone for five employees, celebrating their 10-year anniversary with the company.

Curtis Borchers, A.J. Dolan, Bob Hudson, Marc Simony, and Jennifer Van Meter were recognized for their many accomplishments.

“These five critical team members were here day one when we launched. Without their tenacity we wouldn’t be here today,” said TraceGains CEO, Gary Nowacki. “It has been a joy to work alongside A.J., Curtis, Bob, Jenny, and Marc. It’s especially rare to see folks who can take a company from start-up to industry leadership.”

Simony, Dolan, and Van Meter are key members of the leadership team. Hudson focuses on expanding TraceGains into the world’s largest food and CPG companies, and Borchers has been a crucial member of the development team.

## About TraceGains

TraceGains is a rapidly growing software company, delivering a sophisticated suite of products for food, beverage, and CPG companies. TraceGains solutions empower our customers to satisfy compliance with regulations and industry standards such as FSMA, GFSI, and HACCP/HARPC, without the need for additional staff.

At the heart of TraceGains is a robust platform that enables companies to automate and optimize their processes through instant information sharing and collaboration between supply chain partners, which saves time, and improves food safety and quality.

TraceGains is the winner of the 2016 Stratus Award for Cloud Collaboration. The company is also among the Food Logistics Top 100 software and technology providers and was named a Top 20
