Organised by SMI group and supported by the Defence Safety Authority, UK MoD; Lieutenant General Richard Felton CBE, Director General, Defence Safety Authority, UK MoD said:

“BAE Systems’ support as Lead Sponsor for the Defence Safety Conference highlights the prime importance they place on safety. Senior support for safety in Defence from one of the UK’s leading Defence companies demonstrates the importance of the Conference as a key initiative for both UK Defence and Industry. With BAE Systems in the lead, all of the companies sponsoring this event are publicly confirming their commitment to safety. Whether as equipment and service delivery organisations or in research and development, industry plays a key role in Defence Safety and I am pleased to see that these responsibilities are clearly recognised and reflected by their participation in this event.”

[The Defence Safety Conference is the first of its kind](#), exclusively dedicated to safety across the defence domain and will cover the broad spectrum of safety across military aviation, land and maritime.

This exclusive conference offers organisations the opportunity to show their commitment to safety and
