

Michigan Mesothelioma Victims Center Urges a Navy Veteran with a Mesothelioma in Michigan to Call for Direct Access to The Nation's Top Lawyers Who Deliver Much Better Compensation Results

NEW YORK, NEW YORK, USA, July 23, 2018 /EINPresswire.com/ -- Michigan Mesothelioma Victims Center says, "About one-third of all people diagnosed with mesothelioma this year in the United States will be Veterans of the US Navy. Typically, their exposure to asbestos occurred while on a US Navy ship, or at a US Naval Shipyard. Most frequently the Navy Veterans worked in a navy ship's engine room or while as a machinist, welder, plumber, electrician, maintenance technician, or as a damage control technician. These types of US Navy Veterans typically had the most exposure to asbestos and their compensation could exceed a million dollars as we would like to discuss at 800-714-0303.

"If you are a US Navy Veteran and you have been diagnosed with mesothelioma in Michigan, please call us at 800-714-0303 and let us talk with you about your ship, your rating while in the service, and what type of work you did in the US Navy. You might be surprised to learn we have a wealth of knowledge about US Navy ships that contained asbestos including: frigates, destroyers, cruisers, carriers, amphibious assault ships, cargo ships, tenders, oilers, attack submarines, or boomers. We also offer on the spot access to the nation's top mesothelioma lawyers who consistently get the best settlement results for their clients.

"We and the mesothelioma lawyers we suggest also have a great deal of knowledge about every US Navy Shipyard from Bangor, to Bremerton, and or New London, Hunters Point, Philadelphia, New York, Treasure Island, or Pearl Harbor. Our bottom line is we want you to receive the very best possible financial compensation-and we can help as we would like to discuss anytime at 800-714-0303."
