

# Cloud24x7 expands footprints in Latam appoints Cuauhtemoc Trejo as Regional Head.

FORT LAUDERDALE, FLORIDA, UNITED STATES, July 9, 2018 /EINPresswire.com/ -- Fort Lauderdale, FL, July 9th 2018. Cloud24x7, a Cybersecurity company headquartered in Fort Lauderdale FL provides Unified Cybersecurity solutions for Partners (VARs, LARs, MSPs, MSSP's), appoints Cuauhtemoc Trejo as Regional Head for Latam.

With his extensive experience in sales and operations, Cuauhtemoc will be expanding the Latam market with business strategy, expanding its cybersecurity service offerings, and guiding additional technology integration opportunities and bringing new Product ideas which require for the Cybersecurity market space in Latam region.

Cuauhtemoc brings more than two decades of experience working across Technology sales, Professional Services and Customer Success. He has proven leadership experience in many areas including strategic sales, planning, channel enablement and business expansion. Prior joining Cloud24x7, he worked with various technology companies including Cyberoam, Sophos

“Cloud24x7 has the vision of increasing security revenue for its partners by providing them next generation Cybersecurity solutions elevating them to function as Cybersecurity solution providers (CSP) for their customers. Over the last year, we grew exponentially towards our vision. We have launched solutions that protect businesses from continuously evolving cyber-threats that enables our partners to capitalize on our unique services.” said Jacob Thankachen, President/CEO at Cloud24x7.

Jacob further added, “We are excited to have Cuauhtemoc Trejo joining our company a time when our company and the Cybersecurity industry are both growing. Now we will have a more refined strategic direction towards achieving our vision in Latam market.”

Commenting on his new endeavour, Cuauhtemoc Trejo said, “As Cyberthreats continuously evolve, the associated business risks increase exponentially. Today, businesses, security vendors and managed security service providers must work jointly to combat cyber threats. A collaborative approach aimed at identifying existing vulnerabilities, educating on best practice and heightening awareness ensures an improved security posture. Cloud24x7 with its next generation Cyber security services, technology and partner community makes this a reality. I am excited to contribute to their vision and to deliver these much needed services through our valued channel partners”

About Cloud 24x7:

Cloud24x7 is a leading technology solution provider of threat intelligence-driven Cyber-security solutions exclusively focused on protecting clients from cyber-attacks. We have pioneered an integrated approach that delivers a broad portfolio of cyber security solutions to organizations of varying size and complexity. Our solutions enable organizations to define their cyber defenses to prevent security breaches, detect malicious activity in real time, prioritize and respond rapidly to security breaches and predict emerging threats. The solutions leverage our proprietary technologies, processes and extensive expertise in the information security industry.
