

Harjes Downer to Highlight Efforts to Enable Economic Progress in Upcoming Community Involvement Report

The report examines how Harjes Downer lends, invests and facilitates growth through core business activities and philanthropic efforts

SINGAPORE, SINGAPORE, July 6, 2018 /EINPresswire.com/ -- [Harjes Downer](#), an independent investment management firm committed to enabling clients to become high-performance businesses, today announced the

upcoming release of its Community Involvement Report highlighting efforts underway to empower people, support economic progress in cities, and catalyze sustainable growth.

“Given the pace and scale of regional challenges and opportunities, Harjes Downer has a unique capacity to support economic progress in the communities where we operate,” said Harjes Downer CEO Vince Chia. “We are living during a period of unprecedented urban growth, and the challenges facing cities and the people living in them cannot be underestimated. Access to financing, innovation and new partnerships are needed now more than ever, and Harjes Downer is well positioned to help finance and scale solutions with impact.”

“During the upcoming year, we will strengthen our focus on the economic needs of urban youth and harness the expanding role cities now play to help create economic opportunities in low-income communities,” said Blake Hao, President of the Harjes Downer Foundation and Director of Community Efforts.

“Harjes Downer’s strategy for expanding financial inclusion and community development is to partner with creative community organizations and social entrepreneurs and align with key public policy priorities, using research and a data-driven approach,” added Ms. Hao. “We leverage the expertise of Harjes Downer’s businesses and client relationships to develop innovative financing, investment and asset-building products, small business services, neighborhood revitalization programs and immigrant integration services to expand access and economic opportunities, particularly for underserved communities.”

The Harjes Downer Community Involvement Report is to be published at the end of this quarter.
