Sureline Systems Becomes Oracle PartnerNetwork Gold Level Member

SAN JOSE, CA, UNITED STATES, July 10, 2018 /EINPresswire.com/ -- Sureline Systems, a leader in enterprise-class on-premises, remote and cloud, physical and virtual server Migration and Disaster Recovery solutions, today announced that it has become an Oracle PartnerNetwork (OPN) Gold level member. As a Gold level member, Sureline Systems, Inc. is delivering their patented and award-winning SUREedge® Migrator solution as part of their continued investment in the Oracle ecosystem. Deploying this innovative solution delivers the ability to migrate existing virtual or physical servers and their data to the Oracle Cloud with automated transformations. SUREedge Migrator can be used to migrate a few to hundreds of servers leveraging a migration planner to develop an end-to-end plan that automates the overall migration process.

> As Oracle Cloud has become a leading enterprise Public Cloud, it is important for us to make it a first-tier target in our product line."

About Sureline Systems
Sureline's patented, award winning SUREedge® is a proven enterprise-class software solution for Cloud Migration, Cloud Disaster Recovery, Datacenter Consolidation and Application Mobility. SUREedge reduces risk through encrypted and efficient data transmission, and reliable transformation of the entire application, its data and interdependencies from source server to the target server virtualization or Cloud. It is easy-to- deploy and manage through a single UI, with automated discovery, no agents to install, and is completely non-disruptive. SUREedge is source and destination agnostic working to/from any physical server, any hypervisor (including hyperconverged infrastructures), any cloud, and any storage. Customers worldwide trust SUREedge to meet their workload migration, disaster recovery and application mobility objectives. Sureline is headquartered in San Jose, CA., and its products and services are available through a global network of VARs and technology service providers.

About Oracle PartnerNetwork
Oracle PartnerNetwork (OPN) is Oracle's partner program that provides partners with a differentiated advantage to develop, sell and implement Oracle solutions. OPN offers resources to train and support specialized knowledge of Oracle's products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to be recognized and rewarded for their investment in Oracle Cloud. Partners engaging with Oracle will be able to differentiate their Oracle Cloud expertise and success with customers through the OPN Cloud program – an innovative program that complements existing OPN program levels with tiers of recognition and progressive benefits for partners working with Oracle Cloud.
